

Scope of Service

When using the list, please note that column 3 (In Scope?) does not stand alone. Additional information contained in columns 4 and 5 (Scope Limitations and Certification Levels) may include topics or certification levels that affect whether volunteers may or may not prepare the return under the provisions of the Volunteer Protection Act.

If no certification level is listed, the topic is in scope for all certification levels.

Many forms and schedules that are out of scope are included as reference. If a form or schedule is not listed, it is out of scope because no training has been provided. In addition, if a volunteer has not been trained on an in-scope tax law topic, that topic is out of scope for that volunteer.
